

Certificate of Conformity of Factory Production Control

This certificate is issued to:

Manufacturer: **Rotterdam Steel Works B.V.**
Baanhoek 22
3361 GK Sliedrecht
The Netherlands

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Thermal cut-out parts of carbon steel plate material for construction purposes

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

EN 1090-1: 2009 + A1: 2011 - Execution of steel structures and aluminium structures - Part 1: Requirements of conformity assessment of structural components

under system 2+ are applied and that the factory production controls fulfil all the prescribed requirements set out above.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
